## IRRRL

- Borrower must have no late payments within the most recent 12-month mortgage history. 0x30x12.
  - LTV based upon Total Loan Amount (Base loan amount plus financed VA Funding Fee).
  - Value must be supported by an AVM or an Exterior-Only Appraisal on all VA IRRRLs.
  - If discount points are included in the loan, then Exterior-Only Appraisal is required.
  - Source of funds to close are required if cash to close exceeds new mortgage payment.
    - AVM must support the calculated total loan amount, including cost/fees and funding fee.
    - If using a 2055/1075, it must be changed to an interior and exterior report if any of the following conditions exist:
      - The property does not conform to the neighborhood; or
      - Adverse physical deficiencies or environmental conditions are observed; or
      - Data sources do not provide sufficient information about the property.
      - Appraiser noted repairs impacting safety, health, and hazard must be completed.
      - Property condition rating must be “average” or better.
      - Appraised value must be “equal to” or “better than” the total loan amount including VA Funding Fee.
    - When an AVM is not required, the original loan amount should be used as the appraised value.
  - The borrower must be the same except:
    - for the removal of a non-veteran spouse due to death or divorce (provide supporting documentation indicating event occurred at least 12 months before the time of application). There will be no exceptions granted to this requirement.
    - only new spouses can be added.
  - The veteran can receive up to \$500 due to changes in final payoff figures, minor computational errors, or reimbursement of out-of-pocket expense (i.e. credit report). It is not acceptable to calculate the loan amount with the intention of returning cash to the veteran. \$0 in Texas.
  - DTI is not calculated.
- Benefit to Borrower requirements:**
- The interest rate on the new loan must be lower than the interest rate on the old loan unless the old loan is an ARM and the new loan is a fixed rate.
  - The maximum loan term is the original term of the old loan plus 10 years, with the maximum maturity date being 30 years and 32 days from date of closing.
  - The P & I payment on the new loan must be less than the P & I payment on the old loan unless one of these exceptions applies:
    - The old loan is an ARM and the new loan is a fixed rate, or
    - The term of the new loan is shorter than the term of the old loan, or
    - Allowable energy efficient improvements are included in the new loan
